

The Trex logo is displayed in a white rectangular box in the upper left corner of the image. The logo itself is in a dark blue, sans-serif font with a registered trademark symbol (®) to the right of the word.

Trex®

The background of the advertisement is a photograph of a well-appointed outdoor deck at dusk. The deck is made of light-colored wood and features a variety of furniture: a large, round, perforated metal coffee table with a tray of drinks; a dark brown leather armchair with a yellow blanket; a white wooden side table with lit candles; and a white wooden bench. The deck is enclosed by a dark metal railing with several lit candles on top. In the background, a long wooden pier extends into a body of water, surrounded by trees. The overall atmosphere is warm and luxurious.

A NEW LEVEL OF

THERE'S YOU.

THERE'S THE SPACE  
AROUND YOUR HOUSE.

AND THEN THERE'S TREX®.

And with a little imagination,  
amazing things can happen  
in between.

As you'll see, Trex is more than just a creator of great decks with proprietary technology. In fact, the real possibilities begin when what you think you know turns into what you could never imagine. Tough-as-nails-boards that become a perfect bench. New tropical deck colors that practically lull landlocked homes to the water's edge. Brilliant new storage ideas for making outdoor rooms even roomier.

We're all about knowing what's next, then inspiring you to make it yours with all the colors, options and configurations your dreams can handle.

Trex. It's for the unexpected.

Even our most specific features  
are engineered for beautiful  
outdoor living.

INDUSTRY-LEADING WARRANTIES

As the leader in outdoor living, it's only fitting that our decades-long warranties outlast all others.

SHELL TECHNOLOGY

Trex decks are wrapped in a high-performance shell that resists fade, stains, mold, mildew, insects and natural weathering.

HIDDEN FASTENERS

The Trex Hideaway® Hidden Fastening System is an option with grooved-edge boards for perfectly consistent spacing and no visible screws on top.

ALWAYS GREEN

Our products are made from recycled materials, and our processes? As eco-friendly as they come.

What's Next: Outstanding Trex Collaborations  
THE MONDAVI SHOW HOME

When Rob and Lydia Mondavi—the fourth generation of the winemaking family—designed their home away from home, they turned to Trex for high-style, high-performance products they knew would last. It's a place perfect for the Mondavis' two favorite things: entertaining and family. Nestled in the heart of South Carolina lowcountry, Trex helps the home feel right at home among the marshy tides just feet from the back screen door—withstanding whatever the salt air brings.

## WHY HAVE A BACKYARD DECK

*when you can have  
a backyard masterpiece?*

At Trex, we have a knack for pushing the boundaries of what's possible. In fact, we take a systematic approach that spreads our hallmark performance and beauty all around your home. Because, technically speaking, your outdoor space is more than just decking. It's also railing. And framing. Possibly a pergola. Lighting. And definitely furniture.

Your vision for your own outdoors is reflected in your every choice—right down to the handrails. So whether you're playing host or homebody, Trex makes it simple to create the kind of vision you've always had in mind. By staying ahead of the design curve, we make sure your outdoor space will wow during the day, glow bright at night and stay radiant for years to come.

Fire Pit cocktail rail and glass panels  
also featuring: Trex Pergola and  
Trex Outdoor Furniture*

# Actually, it *is* easy **BEING GREEN**

## *What's Next: Outstanding Trex Collaborations* **DECK DESIGNS BY PAUL LAFRANCE**

Let Paul Lafrance, host of HGTV Canada's "Decked Out" and "Disaster Decks" do the designing for you. On [trex.com](http://trex.com), you'll find decks to inspire, access to Paul's one-of-a-kind services and project possibilities you never thought possible.

*decking:* Transcend  
in Spiced Rum  
*also featuring:* Trex Fascia  
in Spiced Rum

Trex was built upon green principles and values, from our innovative materials to our sustainable processes. In fact, in all our years in the decking and railing business, we haven't felled a single tree. **Not one.**

*decking:* Transcend in Island Mist  
*also featuring:* Trex Outdoor Lighting

Our decking, in addition to reclaimed wood and sawdust, used to be plastic packaging. (We happen to be one of the largest plastic recyclers in the U.S.) Most of our products are made almost completely from recycled materials, which means Trex saves 400 million pounds of plastic and wood from landfills each year.

Plus, Trex strives to make its proprietary manufacturing methods as green as possible. We recycle our factory refuse back into the manufacturing line, and some plant hydraulics are even powered by vegetable oil. So our decking, railing and steel deck framing contribute to LEED points on any building.

At Trex, we do the extra work to make everyone's leisure time that much more pleasurable. And we've been this way for more than 20 years—well before green was a buzzword.

## Why?

Because, in the end, all of us want to look out on our decks and know that we've done our part.

All Trex decking is made from 95% recycled materials.

**Trex Elevations®**  
STEEL DECK FRAMING

perfection built from  
the ground up

*framing: Trex Elevations  
decking: Transcend in Spiced Rum  
& Vintage Lantern  
railing: Transcend in Classic White  
& Vintage Lantern with  
round aluminum balusters  
also featuring: Trex Outdoor Lighting*

When you daydream about your dream deck, chances are you haven't given much thought to what lies beneath it. Even though your deck's substructure may not make the family photos, it's actually the most important part of your new outdoor space. Trex Elevations®, our system of durable, triple-coated steel beams, joists and tracks, creates the strongest, straightest and, yes, greenest structures down below.

#### High performance

- » Triple-coated steel offers consistency, durability and reliability that other materials can't
- » Rot- and termite-proof steel lasts much longer than wood
- » Non-combustible material with a Class 1A fire rating offers peace of mind
- » Rigorously tested for safety and chemical-free, unlike pressure-treated lumber
- » CCRR-0186 code compliance research report approves Trex Elevations for exterior use

#### Perennial beauty

- » Precision engineering ensures surfaces remain flat over time
- » Unparalleled strength enables cantilevers and dramatic curved deck designs
- » Neutral finish blends with most decking colors making the substructure less visible from above
- » Longer spans allow for fewer posts and less obstructed views
- » Consistent dimensions mean a level run from house to edge

#### Trex through and through

- » Contains a minimum of 25% recycled steel and is a 100% renewable resource
- » Works beautifully with the Trex RainEscape drainage system
- » Backed by the Trex 25-Year Limited Residential Warranty

Think about it: if you're going to invest in a long-lasting deck, don't you want its support to last just as long?

#### THE OVERACHIEVER DOWN UNDER

*Wood framing splits, warps and shifts over time, leading to an uneven surface that is echoed in the deck boards above. The dimensionally stable steel of Trex Elevations stays in place, giving you consistently flat decking.*

To watch a video demonstration, visit [trex.com](http://trex.com)

Deck built with Trex Elevations steel deck framing

Deck built on a pressure-treated wood substructure

Due to increased risk of corrosion, Trex Elevations may not be installed (1) within 3,000 ft (914.4 m) of any body of salt water or (2) under the surface or within the splash zone of any body of fresh water. Any such installations shall void the Trex Limited Warranty.

Trex Elevations® Steel Deck Support Posts are manufactured and sold by M. Cohen and Sons, Inc., d/b/a/ The Iron Shop, under a Trademark License Agreement with Trex Company, Inc. Warranty provided by manufacturer.

outperforms, outlasts,  
outdecks all others

*railing: Transcend in Classic White & Vintage Lantern with round aluminum balusters in Bronze  
decking: Transcend in Tiki Torch & Vintage Lantern  
also featuring: Trex Outdoor Lighting*

**UNPARALLELED BEAUTY**

With high-traffic technology and a natural-looking wood-grain finish, Transcend decking is specially designed to look ageless—even decades after it is installed. Featuring rich, nature-inspired colors, our decking pairs seamlessly with our railing options to culminate in the deckscape of your dreams.

**HASSLE FREE**

No sanding. No staining. No painting. No kidding. In fact, the only major piece of maintenance your Transcend decking and railing require is washing with soap and water or a pressure washer,\* compliments of the protective Transcend shell technology.

**FADE, STAIN, SCRATCH AND MOLD RESISTANT**

Mother Nature's worst continues to bring out our best. Whether a nasty Nor'easter or a scorching Arizona summer, Transcend maintains its vibrant color and luxurious finish. Same goes for man-made disasters. Wet planter pots, red-wine rings and dragged chaise lounges are no match for the Transcend fade-, stain-, scratch- and mold-resistant shell.

**EARTH FRIENDLY**

Transcend decking is made from 95% recycled materials, from reclaimed wood and sawdust to plastic packaging. And our railing contains at least 40% recycled material.

*Like what you don't see? Trex Hideaway Hidden Fasteners are sub-surface clips that install our decking boards without traditional deck screws, leaving only a smooth, unfettered finish behind.*

With a tough-as-nails protective shell, unrivaled low maintenance and wood-grain beauty to match, the one and only Transcend® decking is the ultimate expression of form and function. Pair it with our Transcend railing and you have an unmatched outdoor experience. Together they offer tons of design options, enabling you to put your signature on your outdoor living space with our signature luxury line.

*railing:* Transcend in Classic White with Tree House cocktail rail

**TRANSCEND DECKING**

**High performance**

- » Engineered with unrivaled fade, stain, scratch and mold resistance
- » Hassle-free maintenance takes the work out of the weekend

**Perennial beauty**

- » Designed in a range of rich colors with a natural-looking grain pattern
- » Available in two distinctive styles—premium tropical colors and rich classic earth tones
- » Pairs with Trex Transcend railing in coordinating colors, plus Classic White and Charcoal Black

**Trex through and through**

- » Made from 95% recycled materials
- » Backed by the industry-leading Trex 25-Year Limited Residential Fade & Stain Warranty

**TRANSCEND RAILING**

**High performance**

- » Stands firm with a strong, sturdy look and feel
- » Built with the same incredible durability as Transcend decking—won't rot, warp or splinter

**Perennial beauty**

- » Modular components let you mix and match your customized look with any Trex railing line
- » Pairs perfectly with Transcend decking—also compatible with any decking line

**Trex through and through**

- » Contains a minimum of 40% recycled material
- » Backed by the Trex 25-Year Limited Residential Warranty

transcend with flying colors

DECKING

Tropical colors are also available in a 2x6 profile

**GET THE FLOORING LOOK**

As an alternative to our traditional deck board, we offer an indoor-style, slanted groove porch board for a virtually gap-free look. Porch boards are available in Gravel Path & Spiced Rum.

RAILING

Trex Enhance®

even comfort has  
a cutting edge

decking: Enhance in Beach Dune

BETTER

Enhance® is our low-maintenance composite that offers all the charm and none of the trouble of real wood. With its high-definition grain pattern and hidden fasteners, Enhance features a rich, sophisticated finish at a value that only adds to its appeal.

**High performance**

- » High-performance shell is fade, stain and mold resistant
- » Cleans easily with just soap and water or a pressure washer\*
- » Soft, splinter-free finish is comfortable underfoot

**Perennial beauty**

- » Versatile colors feature a refined wood grain that adds depth and luxury
- » Pairs beautifully with all Trex railing lines—try either a one-color look or a completely unique mix

**Trex through and through**

- » 95% recycled plastic, wood and sawdust keeps it green
- » Backed by the industry-leading Trex 25-Year Limited Residential Fade & Stain Warranty

decking: Enhance in Clam Shell & Saddle

Clam Shell

Saddle

**COMPATIBLE WITH ALL TREX RAILING**

No outdoor living space is complete without railing that perfectly captures its surroundings. Enhance decks mix and match with all of our Trex railing lines. For complementary styles that will gain you plenty of compliments, check out [trex.com](http://trex.com) for railing pairing suggestions.

**UNFETTERED FINISH WITH TREX HIDEAWAY HIDDEN FASTENING SYSTEM**

The innovative Trex Hideaway Universal Fasteners are an option with grooved-edge boards for perfectly consistent spacing and no visible screws on top.

**EARTH FRIENDLY**

We don't harvest rainforests to make Trex. In fact, we've never even chopped down a single tree. Enhance decking is made from recycled materials, from reclaimed wood and sawdust to plastic packaging.

For easier cutting, try Trex Blade™, the first saw blade specially designed for composite decking materials. You'll get cleaner cuts with no swirl marks and a longer cutting life.

it's Trex, simplified

decking: Trex Select in Saddle & Winchester Grey  
railing: Trex Select in Classic White

GOOD

railing: Trex Select in Classic White

**TREX SELECT DECKING**

**High performance**

- » Stands up to both weather and weekend mishaps alike, thanks to its exclusive Trex shell
- » Cleans easily with just soap and water or a pressure washer\*

minimalist style,  
maximum strength

railing: Reveal in Charcoal Black  
decking: Transcend in Tiki Torch

railing: Reveal in Charcoal Black with Trex posts in Vintage Lantern

**THE STRENGTH OF TREX REVEAL—NOW IN A GATE**

Designed to work with all Trex railing, Trex aluminum gates offer an extra level of safety and strength, so your whole family can enjoy time on the deck.

- » Welded panel with slide-on posts makes installation fast and flexible
- » Customizable width to fit almost any opening—maximum opening is 48"
- » Superior adjustable hinges and locking latch
- » Design options include three colors and two baluster profiles: Charcoal Black, Bronze and Classic White; and square and round balusters

**High performance**

- » Aluminum possesses unparalleled strength with minimal geometry
- » Powder coating allows the aluminum to retain color and resist corrosion
- » Washes clean with soap and water for low maintenance
- » Offered with an array of bracket options for easy installation

**Perennial beauty**

- » Perfect for a sleek, contemporary aesthetic in any setting
- » Increases visibility to maximize scenic views
- » Monochromatic design works with all types of projects
- » Two baluster options (square and round) and two post choices (aluminum posts and composite post sleeves) available
- » Over-the-post option creates a continuously graspable handrail

**Trex through and through**

- » Compatible with all Trex decking lines—not to mention stone patios, concrete porches and more
- » Backed by the Trex Reveal Railing Limited Warranty\*
- » Contains a minimum of 40% recycled aluminum, a 100% renewable resource

Whether your favorite view is the city skyline, purple mountain majesties or galaxies far, far away, Trex Reveal® aluminum railing makes it a sight to behold. Sleek and minimalist, Reveal is specially crafted to complete your deck while emphasizing the view beyond it. Reveal is hallmark Trex, with sleek-yet-sturdy construction that easily spans long lengths for panoramic stretches. It can also be used across the entire Trex decking line, giving you a perfect stylistic alternative to pair with the deck of your dreams.

# Trex® Outdoor Lighting™

the bright idea

deck lighting: Stair riser lights, post cap lights and deck rail lights  
 landscape lighting: Well lights, multifunction lights and spotlights  
 also featuring: Trex Outdoor Furniture

## DECK LIGHTING

### High performance

- » Energy-efficient Cree® LEDs give off long-lasting illumination
- » Dimmable glow matches the mood of any outdoor party or dinner
- » Remains weather-proof and salt air resistant in the toughest climates
- » Offers total lighting control via timer and optional dimmer with remote

### Perennial beauty

- » Sophisticated fixtures create custom lighting effects and designs
- » Ambient light improves the safety of paths and stairways
- » Out of sight during the day, beautiful light every night
- » Available in a variety of colors to complement any outdoor space

### Trex through and through

- » Part of a complete Trex package
- » Trex LightHub® connection system makes set-up a snap for DIYers
- » Lighting builds into new decks and landscaping or retrofits into existing spaces
- » Keeps things green with 75% less energy usage than traditional incandescent lighting
- » Protected under warranty for years of outdoor use\*

## LANDSCAPE LIGHTING

*Both deck lighting and landscape lighting are compatible with the Trex LightHub connection system—a simple way to set up and control your lights.*

With the right light, you can take any outdoor space from invisible to inviting. That's why Trex has expanded our lighting offering to cover the whole landscape. Trex® OutdoorLighting™ enhances curb appeal with energy-efficient illumination that makes for safer nighttime strolls and impressive deckside ambience. Best of all, the lights install in a snap and disappear into their surroundings for a truly sophisticated look.

\* For the terms of warranties on Trex® OutdoorLighting™, see page 40 or visit [trex.com](http://trex.com)  
 Cree® is a registered trademark of Cree, Inc.

TREX is the new  
GOING OUT

1 What could be chicer than a home-stair-deck match? Island Mist cocktail rail and stair treads, Transcend square black balusters and Classic White post sleeves and caps make the back door as glorified as the front.

2 Start with Transcend decking in tropical Havana Gold, add some ice, trash and storage bins from our OutdoorStorage line, then finish with a flatscreen and Outdoor Furniture, and poof: it's the neighborhood it-spot.

3 Sometimes all a deck needs is a little wayfinding. Our easily installed stair riser lights answer the call on these dramatically curved beauties.

4 Transcend decking in Island Mist introduces an entirely new and sophisticated neutral to our luxe tropical palette.

5 When Paul Lafrance is on the job, you know he's making a custom bar finished in fascia that matches the decking in both color and durability. Here, our tropical Tiki Torch provides ample inspiration.

6 The subtle illumination of our post cap lights, here in Classic White, kicks off a whole portfolio of Trex Outdoor Lighting options for both decks and landscapes alike.

7 Not only can Trex decking handle the withering seaside weather, so can our Outdoor Furniture lines and railing too, like our Transcend in Classic White with view-worthy glass panels.

8 While Trex offers kitted Pergola systems, creative builders like Paul Lafrance create their own from nearly impenetrable Trex Fascia.

9 Durable Trex Reveal railing looks sharp in bronze and is always up to double as a towel rack.

10 When our railing harmonizes with our decking, it's a beautiful view from every angle. Here, Transcend railing with a Vintage Lantern hand rail follows suit with a matching deck border and Tiki Torch decking.

11 Drama? Yes please. All 18 Trex deck colors inspire innumerable combinations for borders, monograms and intarsia patterns. Rope Swing and Spiced Rum make an impressive match.

12 Your nap—on a bench made of Trex Transcend deck boards, no less—suddenly needs a little afghan? Our new OutdoorStorage under cabinets hold everything you don't feel like walking inside to grab.

13 The cool grey tones of this low-slung Transcend deck in Gravel Path give it a fiercely modern edge.

14 With the striking appearance of tropical hardwood, Transcend decking in Havana Gold evokes the tropics no matter how far inland.

Trex® Fascia

we have the edge  
on your deck

Trex Fascia in Spiced Rum & Vintage Lantern

Put the finishing touch on your deck design with fascia and riser boards that match the entire high-performing Trex lineup.

Porch posts wrapped in Universal Fascia in White

**High performance**

- » Low maintenance, with no sanding, staining or painting required
- » Superior resistance to fade, stains, rot, mold and termites\*
- » Impact resistant for long-lasting beauty

**Perennial beauty**

- » Premium design matches any composite, wood or PVC decking
- » Trex Universal Fascia in White matches practically everything
- » Color fascia matches each Trex decking line: Transcend, Enhance and Select

**Trex through and through**

- » Constructed from 95% recycled materials\*
- » Backed by the industry-leading Trex 25-Year Limited Residential Fade & Stain Warranty\*
- » Adds sophistication and value to your property

**A SPECTRUM OF COLORS TO MATCH YOUR TREX DECKING**

Universal Fascia TrexTrim™ Smooth White

Trex® Spiral Stairs™

step up and  
stand out

Engineered to last, Trex® Spiral Stairs™ offer all of the space-saving advantages of traditional spiral staircases but with Trex signature style, strength and simplicity. And with a range of design options—like two material choices and custom, high-performance composite treads—the Trex Spiral Stairs system is the ultimate staircase alternative.

**High performance**

- » Strong and stable design maximizes tight outdoor spaces
- » Modular components make transport and installation easy
- » Assembles as a complete system with railing and supports included
- » Superior protection against the elements

**Perennial beauty**

- » Step treads can be capped with Trex high-performance composite to match your deck's color perfectly
- » Low maintenance with no painting necessary
- » Available in powder-coated aluminum in a range of colors or galvanized steel

**Trex through and through**

- » Made from up to 60% recycled materials
- » Non-combustible material offers peace of mind
- » Integrates easily with Trex Outdoor Lighting riser lights
- » Backed by a 25-Year Manufacturer's Warranty\*

\*Trex® Spiral Stairs™ are manufactured and sold by M. Cohen and Sons, Inc., d/b/a/ The Iron Shop, under a Trademark License Agreement with Trex Company, Inc. Warranty provided by manufacturer.

## Trex® OutdoorStorage™

## hide and chic

### High performance

- » Engineered to withstand the elements and resist corrosion
- » Made with high-density, low-maintenance resin that won't warp or crack
- » Made from 100% waterproof material

### Perennial beauty

- » Natural-looking detailing, inspired by real teak
- » Customize the look with marble, granite or stone tops (purchased separately)

### Trex through and through

- » Comes in all Trex Transcend colors to impeccably match your deck
- » Available in a wide variety of sizes and storage options

Mix the comforts of your indoor space with the natural beauty of your outdoor space. With Trex® OutdoorStorage™, add undeniable style and utility to your yard with storage that's easily matched to your deck and customized for your needs. From hidden ice drawers for a cool lemonade to drawer boxes for the kids' baseball gear, our storage solutions maximize your space by giving you extra room for all your backyard essentials.

Trex® OutdoorStorage™ products are manufactured and sold by NatureKast Products, LLC., under a Trademark License Agreement with Trex Company, Inc.

## Trex® Outdoor Furniture™

## deep-seated beauty

It's luxury, squared: comfortable, durable, sustainable furniture in a variety of styles and colors that coordinate with our decking and railing. Each piece features an ergonomic design superbly crafted with a splinter-free finish for smooth, elegant ease. Plus, true to form, 90% of Trex® Outdoor Furniture™ comes from recycled material. So it's used to being one with nature.

### High performance

- » No staining, sealing, painting or refinishing—ever
- »Laughs off brutal sunbake and ignores withering salt spray
- » Stain-, spill- and rot-proof too

### Perennial beauty

- » Distinctive colors you can mix and match with any decking or patio hardscape
- » Boasts ergonomic design and a splinter-free finish for all-day comfort
- » Colorful Sunbrella® cushions and pillows add flourish to your furniture
- » Signature Trex curves coordinate beautifully with our decks

### Trex through and through

- » Unique signature designs, exclusive to Trex
- » Over 90% recycled materials keep things one with nature
- » Five-Year Limited Warranty means guaranteed weatherproofing\*
- » The only Trex you get to keep when you move

Sunbrella® is a registered trademark of Glen Raven, Inc.

\*Trex® Outdoor Furniture™ products are manufactured and sold by Poly-Wood, Inc. under a Trademark License Agreement with Trex Company, Inc. Five-Year Limited Warranty provided by manufacturer.

Trex® Pergola™

above and beyond

Trex® Pergola™ keeps outdoor living from feeling so...outdoors. Add a customizable pergola to your sun-soaked space and get a shady, sturdy retreat that won't crack, rot or chalk—virtually upkeep-free.

**High performance**

- » Resists rot, splitting, chalking and insects
- » Engineered to withstand winds up to 160 mph
- » Easy-to-install kits come complete with hardware and instructions

**Perennial beauty**

- » Premium designs in a wide range of options and customizable sizes, including round or square columns
- » Match your pergola to your deck with our signature Trex colors or create a custom color
- » Add a canopy for additional shade or rain protection
- » Available in attachable or free-standing profiles

**Trex through and through**

- » Backed by a Limited Manufacturer Warranty\*
- » Built for the do-it-yourselfer or easily installed by a TrexPro®
- » Get integrated illumination for your pergola with Trex Outdoor Lighting

Trex® RainEscape®  
DECK DRAINAGE SYSTEM

outwits the elements

**High performance**

- » Clever trough system whisks water out through its own gutters
- » No leaks, no sitting water
- » Installs easily with utility knife, staple gun and caulk

**Perennial beauty**

- » Invisible channeling system installs between an upstairs deck and downstairs ceiling
- » Enables the worry-free outfitting of entertainment systems, speakers and lighting

**Trex through and through**

- » Compatible with Trex Elevations
- » Backed by an industry-leading 20-Year Limited Residential Warranty\*

The unique Trex® RainEscape® under-deck drainage system keeps rain, spills and snow melt from dripping through the decking boards above, creating a dry room below.

Trex RainEscape with Trex Elevations

\*Trex® Pergola™ products are manufactured and sold by Home & Leisure, Inc., d/b/a Backyard America, under a Trademark License Agreement with Trex Company, Inc. Warranty provided by manufacturer.

## THE NEXT STEP? WALKING ONTO YOUR NEW DECK.

You've seen what's possible with Trex. Now let's figure out how we can help you make it happen.

### FIRST COMES VIRTUAL REALITY. THEN REALITY REALITY.

Start with our online resources. You'll find useful tools and features to help make your outdoor-living visions see the light of day—including an iPad app you can use to design your deck. Download and start dreaming.

### GET A DIGITAL ESTIMATE

Using the Trex Cost Calculator, you can select all the particulars for your decking project and get a custom estimate. Adjust as needed to find the right fit for your budget.

### FIND A TREXPRO

We offer the largest nationwide network of TrexPro independent contractors. They not only know our products inside and out and have vast experience on the finer points of installation, they also can provide invaluable insight. To help find a contractor near you and see customer reviews, visit [trex.com](http://trex.com).

### DIY, TOGETHER

Trex has always felt a kinship with the independent minded, which is just one of the reasons we've designed our projects to be easy to install. If you can work with wood, you'll love working with Trex. That said, there are many questions—from time commitments to zoning issues—you need to address before you decide to go it alone. To get started on your project, consult our online questionnaire.

Find all this and more at [trex.com](http://trex.com). And should you need us, we're always available at 1-800-BUY-TREX or [question@trex.com](mailto:question@trex.com)

**RAILING—**  
a lot easier than it looks

Selecting the right railing is pretty easy, but each Trex railing line is a little different. Please read the system descriptions at the top of each product section so you can choose exactly which railing components you need to complete your design. For additional guidance, the chart to the left depicts each railing system's components.

## Trex Post Sleeves, Caps & Skirts

These components can be used as steps 1 & 2 for all Trex railing lines.

STEP	COMPONENT	DESCRIPTION	ITEM NUMBER
1	Post Sleeve	4" x 4" x 39" Post Sleeve [4.45" x 4.45" x 40" (113 mm x 113 mm x 1016 mm) external dimensions]	XX040439APS

# TREX® LIMITED WARRANTY

Trex Company, Inc. (hereinafter “Trex”) warrants to the original purchaser (“Purchaser”) that, for the period of time set forth in the following sentence, under normal use and service conditions, Trex® products shall be free from material defects in workmanship and materials, and shall not split, splinter, rot or suffer structural damage from termites or fungal decay. The term of such warranty shall be twenty-five (25) years from the date of original purchase for a residential application, and ten (10) years from the date of original purchase for a commercial application. If a defect occurs within the warranty period, Purchaser shall notify Trex in writing and, upon confirmation by an authorized Trex representative of the defect, Trex’s sole responsibility shall be, at its option, to either replace the defective item or refund the portion of the purchase price paid by Purchaser for such defective item (not including the cost of its initial installation).

**Notwithstanding the foregoing, (a), the term of the warranty for the LED lights and housing for Trex® DeckLighting™ shall be seven (7) years, the term of the warranty for the LED lights and housing for Trex® LandscapeLighting™ shall be five (5) years, and the term of the warranty for the dimmer, timer and transformer for both shall be three (3) years, in each case provided that a Trex transformer is used (with no warranty on any components if a Trex transformer is not used), and any other parts or accessories shall not be warranted; (b) with respect to hardware for the Trex Surroundings® gate (gate frame, hinges and screws), the term of the warranty shall be five (5) years, (c) with respect to Trex Decorative Balusters, the term of the warranty covering the paint coating shall be ten (10) years, and shall be prorated in the following manner: 100% replacement for the first five (5) years; and 50% replacement for the next five (5) years, and (d) this warranty shall not apply to Trex Elevations® steel deck framing, Trex Reveal® aluminum railing and TrexTrim™ (which each have separate warranties).**

For purposes of this warranty, a “residential application” shall refer to an installation of the Product on an individual residence, and a “commercial application” shall refer to any installation of the Product other than on an individual residence.

**THIS WARRANTY SHALL NOT COVER AND TREX SHALL NOT BE RESPONSIBLE FOR COSTS AND EXPENSES INCURRED WITH RESPECT TO THE REMOVAL OF DEFECTIVE TREX PRODUCTS OR THE INSTALLATION OF REPLACEMENT MATERIALS, INCLUDING BUT NOT LIMITED TO LABOR AND FREIGHT.**

With respect to a residential application, this warranty may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by the Purchaser, to a subsequent buyer of the property upon which the Trex products were originally installed. With respect to a commercial application, this warranty is freely transferable to subsequent buyers of the property upon which the Trex products were originally installed.

To make a claim under this limited warranty, Purchaser, or the transferee, shall send to Trex, within the warranty period referred to above, a description of the claimed defect and proof of purchase, to the following address:

Trex Company, Inc.  
Customer Relations  
160 Exeter Drive  
Winchester, VA 22603-8605

Trex does not warrant against and is not responsible for, and no implied warranty shall be deemed to cover, any condition attributable to: (1) improper installation of Trex products and/or failure to abide by Trex’s installation guidelines, including but not limited to improper gapping; (2) use of Trex products beyond normal use and service conditions, or in an application not recommended by Trex’s guidelines and local building codes; (3) movement, distortion, collapse or settling of the ground or the supporting structure on which Trex products are installed; (4) any act of God (such as flooding, hurricane, earthquake, lightning, etc.), environmental condition (such as air pollution, mold, mildew, etc.), staining from foreign substances (such as dirt, grease, oil, etc.), or normal weathering (defined as exposure to sunlight, weather and atmosphere which will cause any colored surface to gradually fade, chalk, or accumulate dirt or stains); (5) variations or changes in color of Trex products; (6) improper handling, storage, abuse or neglect of Trex products by Purchaser, the transferee or third parties; or (7) ordinary wear and tear.

No person or entity is authorized by Trex to make and Trex shall not be bound by any statement or representation as to the quality or performance of Trex products other than as contained in this warranty. This warranty may not be altered or amended except in a written instrument signed by Trex and Purchaser.

**UNDER NO CIRCUMSTANCES WILL TREX BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER SUCH DAMAGES ARE SOUGHT IN CONTRACT, IN TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE, AND TREX’S LIABILITY WITH RESPECT TO DEFECTIVE PRODUCTS SHALL IN NO EVENT EXCEED THE REPLACEMENT OF SUCH PRODUCTS OR REFUND OF THE PURCHASE PRICE, AS DESCRIBED ABOVE.**

Some States or Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from State to State or Province to Province.

# TREX TRANSCEND®, TREX ENHANCE®, TREX SELECT® AND TREX® UNIVERSAL FASCIA LIMITED FADE & STAIN WARRANTY

For the term set forth below, Trex Company, Inc. (hereinafter “Trex”) warrants to the original end-user purchaser (the “Purchaser”) that Trex Transcend® decking, porch or fascia, Trex Enhance® decking or fascia, Trex Select® decking or fascia or Trex Universal Fascia, as the case may be (the “Product”) will perform, under normal use and service conditions, as follows:

**Term of Warranty:** The term of this warranty shall begin on the date of original purchase, and shall end (1) twenty-five (25) years thereafter for a residential application of the Product, and (2) ten (10) years thereafter for a commercial application of the Product.

**Residential/Commercial Application:** For purposes of this warranty, a “residential application” shall refer to an installation of the Product on an individual residence, and a “commercial application” shall refer to any installation of the Product other than on an individual residence.

**Fade Resistance:** The Product shall not fade in color from light and weathering exposure as measured by color change of more than 5 Delta E (CIE) units.

The Product is designed to resist fading. No material is fade proof when exposed to years of UV exposure and the elements. The Product is designed to resist fading, and will not in any event fade by more than 5 Delta E (CIE) units.

**Stain Resistance:** The Product shall be resistant to permanent staining resulting from spills of food and beverage items including ketchup, mustard, salad oils, tea, wine, coffee, fruit punch, barbecue sauce, grease, sodas and other food and beverage related items that would typically be present on a residential deck, or mold and mildew naturally occurring in the environment, provided that such substances are removed from the Product with soap and water or mild household cleaners within one (1) week of exposure of the food or beverage to the surface or first appearance of the mold and mildew.

Notwithstanding the foregoing, Trex does not warrant that the Product is stain-proof, and does not warrant stain resistance resulting from spilled or otherwise applied food and beverage substances which are not properly cleaned as provided above within one (1) week of exposure. In addition, materials not covered in the stain resistant warranty include abrasive compounds of acidic or basic pH, paints or stains, strong solvents, metallic rust or other abnormal deck use items, and non-food and non-beverage substances, including but not limited to, biocides, fungicides, plant food, or bactericides. Mold and mildew can settle and grow on any outdoor surface, including this Product. You should periodically clean your deck to remove dirt and pollen that can feed mold and mildew. This warranty does not cover mold and mildew which is not properly cleaned as provided above within one (1) week of first appearance.

**Standard Trex Company Limited Warranty:** This warranty is in addition to the standard Trex Company Limited Warranty that applies to all Trex products.

**Transferability:** With respect to a residential application, this warranty may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by the Purchaser, to a subsequent buyer of the property upon which the Trex products were originally installed. With respect to a commercial application, this warranty is freely transferable to subsequent buyers of the property upon which the Trex products were originally installed.

## EXCLUSIONS FROM WARRANTY COVERAGE:

**Exposure to Heat:** Direct or indirect contact with extreme heat sources (over 275 degrees) may cause fading and may damage the surface of the Product, and any effects of such exposure are expressly excluded from coverage under this warranty.

**Surface Damage:** Never use metal shovels or sharp-edged tools to remove snow and ice on the surface of the Product. If the surface of the Product is damaged or punctured, this warranty will be voided.

**Paint or Other Materials Applied to the Product:** If paint or other coating materials are applied to the Product, this warranty will be voided.

**Railing:** This warranty does not cover Trex Transcend® or Trex Select® railing components.

**Other Exclusions:** This warranty shall not cover any condition attributable to: (1) improper installation of the Product and/or failure to abide by Trex’s installation guidelines, including but not limited to improper gapping; (2) use of the Product beyond normal use or service conditions, or in an application not recommended by Trex’s guidelines and local building codes; (3) movement, distortion, collapse or settling of the ground or the supporting structure on which the Product is installed; (4) any act of God (such as flooding, hurricane, earthquake, lightning, etc.); (5) improper handling, storage, abuse or neglect of the Product by Purchaser, the transferee or third parties; (6) any fading or staining not on the walking surface of the Product (i.e., the underside or the ends of the Product); or (7) ordinary wear and tear.

## Procedure for Making a Claim under this Warranty

In order to make a claim under this warranty, Purchaser must do the following:

1. If the Purchaser is making a claim relating to the warranty on stain resistance, Purchaser must do as follows:

(a) Purchaser must try to clean the affected area of the deck by using the cleaning procedures described above within one (1) week of exposure of the food or beverage to the Product or first appearance of the mold and mildew.

(b) If the affected area remains reasonably unsatisfactory after Purchaser has tried these cleaning procedures, then Purchaser must have the affected area of the deck professionally cleaned at Purchaser’s expense.

(c) If the affected area remains reasonably unsatisfactory after the professional cleaning, Purchaser may make a claim under this warranty, provided that such claim is made within thirty (30) days after the professional cleaning.

2. To make a claim under this limited warranty, Purchaser, or the transferee, shall send to Trex, within the warranty period referred to above, a description and photographs of the affected area of the Product, proof of purchase, and if the claim relates to the warranty on stain resistance, proof of compliance with paragraph 1. above, to the following address:

Trex Company, Inc.  
Customer Relations  
160 Exeter Drive  
Winchester, VA 22603-8605

3. Upon confirmation by an authorized Trex representative of a valid claim hereunder, Trex’s sole responsibility shall be, at its option, to either replace the affected item or refund the portion of the purchase price paid by Purchaser for such affected item (not including the cost of its initial installation). Replacement material will be provided that is as close as possible in color, design and quality as the replaced material, but Trex does not guarantee an exact match as colors and design may change.

4. If a valid warranty claim hereunder is made during years eleven (11) through twenty-five (25) after the original purchase for a residential application, recovery will be prorated. If Trex is providing replacement materials, it may elect to replace the percentage listed below of boards otherwise meeting the requirements for a claim, or if it is refunding the purchase price, it may elect to refund the percentage listed below of the purchase price of boards otherwise meeting the requirements for a claim.

YEAR OF WARRANTY CLAIM	PERCENTAGE RECOVERY
11	80%
12	80%
13	80%
14	60%
15	60%
16	60%
17	40%
18	40%
19	40%
20	20%
21	20%
22	20%
23	10%
24	10%
25	10%

**5. THIS WARRANTY SHALL NOT COVER AND TREX SHALL NOT BE RESPONSIBLE FOR COSTS AND EXPENSES INCURRED WITH RESPECT TO THE REMOVAL OF AFFECTED PRODUCT OR THE INSTALLATION OF REPLACEMENT MATERIALS, INCLUDING BUT NOT LIMITED TO LABOR AND FREIGHT.**

**UNDER NO CIRCUMSTANCES WILL TREX BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER SUCH DAMAGES ARE SOUGHT IN CONTRACT, IN TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE, AND TREX’S LIABILITY WITH RESPECT TO PRODUCTS SHALL IN NO EVENT EXCEED THE REPLACEMENT OF SUCH PRODUCTS OR REFUND OF THE PURCHASE PRICE, AS DESCRIBED ABOVE.**

Some States or Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from State to State or Province to Province.

# TREX ELEVATIONS® LIMITED WARRANTY

Trex Company, Inc. ("Trex") warrants to the original purchaser ("Purchaser") that, for the period of time set forth in the following sentence, under normal use and service conditions, Trex Elevations® steel deck framing components shall be free from material defects in workmanship and materials and will not become structurally unfit, which is defined as corrosion causing a perforation of the component. The term of such warranty shall be twenty-five (25) years from the date of original purchase for a residential application, and ten (10) years from the date of original purchase for a commercial application. If a defect occurs within the warranty period, Purchaser shall notify Trex in writing and, upon confirmation by an authorized Trex representative of the defect, Trex's sole responsibility shall be, at its option, to either replace the defective item or refund the portion of the purchase price paid by Purchaser for such defective item (not including the cost of its initial installation).

For purposes of this warranty, a "residential application" shall refer to an installation of the Product on an individual residence, and a "commercial application" shall refer to any installation of the Product other than on an individual residence.

**Salt Water Applications** – Trex Elevations® may not be installed within 3,000 feet of any body of salt water due to increased risk of corrosion. Any such installation shall void this limited warranty.

**Other Water Applications** – Trex Elevations® may not be installed under the surface or within the splash zone of any body of fresh water due to increased risk of corrosion. Any such installation shall void this limited warranty.

**THIS LIMITED WARRANTY SHALL NOT COVER AND TREX SHALL NOT BE RESPONSIBLE FOR COSTS AND EXPENSES INCURRED WITH RESPECT TO THE REMOVAL OF DEFECTIVE TREX PRODUCTS OR THE INSTALLATION OF REPLACEMENT MATERIALS, INCLUDING BUT NOT LIMITED TO LABOR AND FREIGHT.**

With respect to a residential application, this warranty may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by the Purchaser, to a subsequent buyer of the property upon which the Trex products were originally installed. With respect to a commercial application, this warranty is freely transferable to subsequent buyers of the property upon which the Trex products were originally installed.

To make a claim under this limited warranty, Purchaser, or the transferee, shall send to Trex, within the warranty period referred to above, a description of the claimed defect and proof of purchase, to the following address:

Trex Company, Inc.  
Customer Relations  
160 Exeter Drive  
Winchester, VA 22603-8605

Trex does not warrant against and is not responsible for any condition attributable to: (1) defects caused by improper installation or decay caused by fasteners; (2) use of Trex products beyond normal use or service conditions, or in an application not recommended by Trex's guidelines and local building codes; (3) corrosion caused by factors other than environmental or atmospheric processes; (4) failure to strictly abide by Trex Elevations® standard maintenance practices, as described

below; (5) movement, distortion, collapse or settling of the ground; (6) any act of God (such as flooding, hurricane, earthquake, lightning, etc.); (7) improper handling, storage, abuse or neglect of Trex Elevations® products by Purchaser, the transferee or third parties; or (8) ordinary wear and tear.

No person or entity is authorized by Trex to make and Trex shall not be bound by any statement or representation as to the quality or performance of Trex products other than as contained in this warranty. This warranty may not be altered or amended except in a written instrument signed by Trex and Purchaser.

**UNDER NO CIRCUMSTANCES WILL TREX BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER SUCH DAMAGES ARE SOUGHT IN CONTRACT, IN TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE, AND TREX'S LIABILITY WITH RESPECT TO DEFECTIVE TREX ELEVATIONS® PRODUCTS SHALL IN NO EVENT EXCEED THE REPLACEMENT OF SUCH PRODUCTS OR REFUND OF THE PURCHASE PRICE, AS DESCRIBED ABOVE.**

Some States or Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from State to State or Province to Province.

### TREX ELEVATIONS MAINTENANCE REQUIREMENTS:

**1. Observation:** During construction, inspect all components for exposed steel, and cover the exposed area with Trex approved touch up paint in accordance with the Trex Product and Installation Guide. (Trex does not warrant touch up paint due to application variability.) Covering exposed areas with Trex approved touch up paint blends the blemishes into the same unique color of the components.

**2. First Maintenance:** Defined as the physical inspection of components in search of corrosion. Atmospheric and environmental conditions can affect the longevity of Trex Elevations®. Densities of air borne pollutants in certain atmospheres require adjustments in the maintenance and inspection schedules. You should conduct first maintenance within six (6) years after installation for a residential application and four (4) years after installation for a commercial application. If corrosion is identified, immediately begin corrosion management practices.

**3. Inspection Schedule:** After first maintenance, Trex Elevations components must be inspected for structural integrity every two (2) to five (5) years for a residential application and every two (2) years for a commercial application. Integrity is inspected by tapping along the surface area of the components with a metal tool such as a screwdriver. If flaking of the exterior coat occurs or discrepancies of sound are heard, immediately begin corrosion management practices.

**4. Corrosion Management:** Sand any affected areas to twice the size of the corroded area with 80 grit sand paper. Reapply Trex approved touch up paint to the sanded area.
